

## Procurement Outreach Workshops for Small Business

# “Doing Business with the County of San Diego”

## 2013

Hosted by: County of San Diego, Department of Purchasing & Contracting

### Who should attend?

This workshop is directed towards small businesses and businesses of all types. The program will cover subjects such as registering to do business with the County on our “BuyNet” web site, bid and proposal processes, terminology, rules and regulations, and how to search for business opportunities with the County of San Diego. No workshop registration is required.
